Meeting on National Strategy for Food Security and Nutrition 2024-2028

On March 24, 2025, IIRR-Cambodia Country Lead Mr. Sokmeas Uy met up with Dr. Sovannarith, Senior Government Officer of the Council for Agricultural and Rural Development (CARD). The meeting aimed to discuss 3 proposed activities: i) the launch of the National Strategy on Food Security and Nutrition (NSFSN) 2024-2028; ii) the review of Cambodia's Food Systems Roadmap for Sustainable Development; and iii) the conduct of PCFSy capacity building and awareness raising activities targeted towards right holders and duty bearers, together with SUN-CSA and indigenous people.

As a result of the meeting, CARD agreed to: i) add IIRR's logo in the NSFSN 2024-2028 publication; ii) call for a meeting with UNICEF, FAO, WFP and SUN-CSA members to revise Cambodia's Food Systems Roadmap for Sustainable Development; and iii) co-develop training materials with IIRR-Cambodia, incorporating accountability and equity towards food systems' transformation.
